DRAFT Elk Hills letter on AE review status June 2016(MD)AE.docx

Hi David,

Attached is the accepted changes version of the Elk Hills draft letter. Alexa and I commented on it and I've accepted the changes. I don't think Brett is around to comment.

Two notes:

Ex. 5 - Deliberative Process

Hello – in light of the continued absence of AE resolution by the state, please see the attached draft letter to CRC regarding the Elk Hills injection wells. It is a streamlined letter in line with the letters we sent to Alon and SJ refineries.

Let me know if you have comments or suggestions.

Thanks,
David
